

LISA TOWNSEND

Police and Crime Commissioner candidate for Surrey

My priorities for Surrey

Improving Police visibility - by ensuring officers spend time in communities across Surrey, and that neighbourhood teams work with residents.

Cracking down on County Lines - with zero tolerance on organised gangs and protecting vulnerable children from being groomed.

Tackling anti-social behaviour - by working with the community to identify hotspots and targeting offenders. Making our streets safer.

Lisa will improve police visibility

Lisa has a plan to make Surrey safer

Conservatives

My Plan for a safer Surrey.

Improving Police visibility by ensuring officers spend time in communities across Surrey, and that neighbourhood teams work with residents.

Improving road safety and enforcement working with community speedwatch to reduce speed and make the roads safer.

Cracking down on County Lines with zero tolerance on organised gangs and protecting vulnerable children from being groomed.

Setting local policing priorities putting local people's views at the heart of policing priorities.

Tackling anti-social behaviour by working with the community to identify hotspots and targeting offenders. Making our streets safer.

Holding the police to account delivering excellent policing and making sure that your money is spent in the right areas.
